## FROM DIRECTOR'S DESK

Our objective at IMB is to make education affordable, provide quality education and training, enabling the youth of the nation and empowering the hospitality industry by creating high quality professionals. This objective is accomplished with the help of our state of the art infrastructure, well qualified, devoted faculty members and industry standard practical labs, high quality of education that we infuse and personality development programs. Our faculty members are sincerely committed to assist, guide and mentor the students during each step of their journey, so that they head towards their dream career. We offer UG and PG and Certificate Courses in Hotel Management & Tourism. The Vibrant course structure which keeps the students abreast of and aligned with the hotel industry demands is the core competency of IMB which help them develop the attitude and inclination to succeed in their career.

IMB School of Hospitality is located in Prime location of Temple City Bhubaneswar and it is within 15 km far from all corporate sectors, tourism destinations, heritage sites, ancient monuments, shopping malls, airport, railway station and star hotels where a student can wide his vision and get better practical exposure as a result, the students get the placement in best of the hotels. With a combination of excellent education and city of tourism, you are destined for success if you pursue Hotel Management at IMB School of Hospitality. I whole heartedly welcome you all to IMB School of Hospitality which is one of the best Hotel Management Colleges in Odisha to get the best quality education and genuine placement in India and abroad

**Prof. Rajarshi Gyanadarshi**  
**Director, IMBSOH**

IMB School of Hospitality is one of the top-notch affiliated institutes under Utkal University of Culture in Odisha which garners and harnesses the best talent and carves them into brilliant hoteliers. The campus boasts of a sound and well placed state-of-art facilities and infrastructure that provides the best ambience and environment of studies to its students. The institute ensures that the best-in-class infrastructure and facilities & resources are bestowed on its students so as to inspire them continuously to become competent and successful. The Institute is fully equipped with appropriate laboratories, classrooms and library for students to acquire the required skill standards in the Hotel Management Programs. Our Faculties are qualified who specialize in dissemination of knowledge in their respective fields of expertise.

### Classrooms:

The overall look & feel, ambience and aura of the classrooms disseminate a lot of positive vibes amongst both students and the faculty. Air conditioned spacious classrooms equipped with the latest teaching aids and all have network connectivity and equipped with the latest audio-visual aids to facilitate presentations which makes learning a truly stimulating experience.

### Food Production Labs/ Training Kitchens

The institute has food production training labs consisting of basic training kitchen, advance training kitchen, and bakery & confectionary which is at par the industry standards. Our food production labs are well equipped with all and necessary modern amenities and culinary equipments that allow the students to get personalized & singled attention and practical learning. Like a real kitchen of a restaurant or a hotel, it is equipped with cooking range, culinary & cutlery items, and personal work station for every student along with first-aid and other safety equipments

## Training Restaurant

IMB School of Hospitality has well equipped air conditioned multi-cuisine restaurant for practical training of basic and advance skills in F&B Service besides students are trained on the servicing aspects of 'welcoming', 'waiting seating', 'complaint handling & resolution', and other allied mannerisms and attributes in a modular restaurant with numerous role-playing which enables the students to grasp the real meaning of guest satisfaction.

## Training Bar

There is fully equipped mock bar available for demonstrations and practical work, in the preparation and service of all kinds of beverage like cocktail & mocktail, liquor & liqueurs, wines & champagne, etc. The fully equipped bar at the institute allows the students to get a hands on experience at working a bar and to learn speed bartending techniques. The separate flair training area is lined with rubber mats on the floor to allow students to practice flair unhindered and continuously.

### Front Office Training Lab

The college has well-equipped industry standard front office lab. All operational aspects of front office like room reservation, check-in/check-out, guest relations, telephone handling, cashiering, guest accounting, revenue management etc. are taught to the students. The students are trained on the aspects of welcoming and greeting the guest, handling guest complaints, telephonic etiquettes, etc. through numerous role-play situations

### Housekeeping Training Lab

IMB School of Hospitality has well-equipped housekeeping lab with manual and mechanical cleaning equipment, tools and chemicals, well equipped laundry, linen room and standard bed room, where students are taught about the basics of hotel bed making, trolley set up, layout planning, linen management, uniform design, gardening and flower arrangement, as well as several other practical aspects of housekeeping. Students are imparted a hands-on experience on handling the house-keeping tools very effectively.

## Computer Lab

A fully network computer lab is operational and available to the students with internet facility. We provide students a hands-on training on guest check-in/check-out, hotel reservation, inventory management, accounts management and administration management modules.

## Library

The institute has a well-stocked library equipped with latest and best collection of text books, reference books, magazines and journals. The internet facility with air-conditioned reading room is also available to the student.

## Conference Hall

A state-of-the-art fully air conditioned conference hall of 150 intake capacity equipped with the network connectivity, latest audio-visual aids to host events such as competitions, functions, campus interview, seminars and quizzes.

## Accommodation / Hostel

The institute offers hostel facility for out station students, located within the campus. There are separate hostel accommodation for girls and boys with all amenities and security arrangements and each room has a capacity to accommodate three students. The hostels have excellent facilities for students with round the clock availability of all the basic amenities. Each hostel is managed by a dedicated warden who takes cares of the students residing in the hostel.

## Sports

The college provide ample opportunities for students to excel in sports and with enthusiasm and aims at developing an all-round personality through sports and games, which results in the intellectual, moral and physical development of the students. The college possess indoor facilities for playing caroms, chess and outdoor facilities for performing volleyball, basketball, cricket, badminton, etc.
